

OUR CONSULTING JOURNEY

A structured, practical path to your desired B-BBEE outcome

Our consulting journey simplifies B-BBEE compliance through a clear, step-by-step approach focused on practical implementation, cost control, and improved scorecard outcomes.

Why Our Consulting Journey Works

- Clear structure and visibility from start to finish.
- Reduced compliance risk and verification disruptions.
- Practical, implementable solutions aligned to the Codes.

STEP 1

Understanding Your Entity

Review of your current B-BBEE spend, ownership structure, operational model, and compliance objectives.

STEP 2

Desktop Analysis

Assessment of existing documentation and scorecard to identify gaps, shortfalls, and compliance risks.

STEP 3

Planning & Strategy

Development of a targeted compliance strategy to address gaps while reducing unnecessary B-BBEE costs.

STEP 4

Practical Implementation

Hands-on support across ownership, skills development, enterprise and supplier development, and socio-economic development.

STEP 5

Reaching the Desired Outcome

Optimised scorecard positioning and improved readiness for SANAS-accredited B-BBEE verification.

Izala Verificators' consulting services are offered independently of its SANAS-accredited verification activities to maintain impartiality and integrity.
