

Credible B-BBEE verification for tender-ready compliance.

Who We Are

Ilzala Verificators is a SANAS-accredited B-BBEE verification agency helping businesses across South Africa achieve credible compliance and support meaningful transformation.

With 50+ years' combined industry experience and a Level One B-BBEE rating, we simplify verification so clients can stay focused on running their operations.

We support companies that require SANAS-accredited B-BBEE certificates for government and private-sector tender and procurement opportunities.

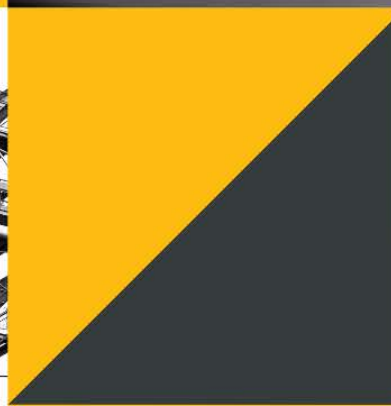

SANAS-accredited verification

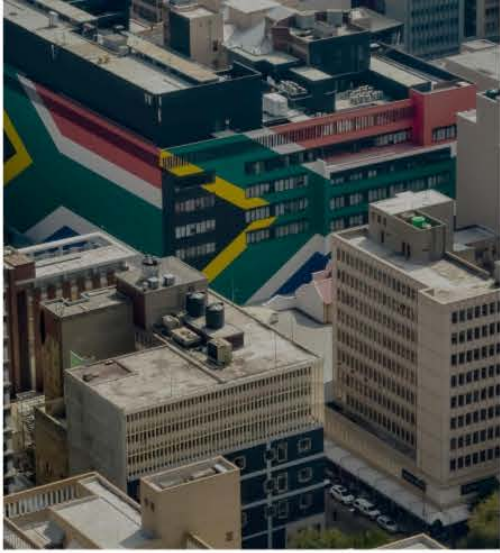

Level One B-BBEE rating

50+ years combined experience

What We Do

End-to-end B-BBEE verification and independent assurance for standard and complex entity structures.

Services

- B-BBEE Verification Services
- Verifying complex ownership structures & beneficiaries
- Independent Review & Verification Assessments
- Group Structure Verification
- Joint Venture (JV) Verification
- Specialised Entity Verification
- B-BBEE Awareness Training

Built for 2026 buyers:

Clear, structured outputs and defensible proof, designed for a trust-first, “answer economy” world where credibility matters before meetings happen.

Problems we solve

End-to-end B-BBEE verification and independent assurance for standard and complex entity structures.

Complexity and uncertainty around B-BBEE compliance requirements.

Risk of non-compliant or inaccurate scoring affecting tenders and procurement opportunities.

Delays and operational disruption during the verification process.
